

"The Friends" At-A-Glance

Mission

The Friends of Ridley Creek State Park exists to preserve, protect and enhance the mansion, grounds and trails of Ridley Creek State Park. Projects range from trail clearing to garden cleanup to administrative help to fundraising.

Groups such as the Sierra Club, Appalachian Trail Club, Boy Scouts, local schools and corporations have donated their time, talents and financial resources to help the Park.

Have an organization looking to contribute? Contact us today!
